## INSTRUMENTAL COMPETITIONS VERY HIGH AT EISTEDDFOF

HOLYHEAD, Sept. 17.—In the great annual eisteddfod of the arts and crafts of the Welsh nation, known as the National eisteddfod, which was held at the National stadium on Tuesday, every voice was heard, and every instrument was played.

The best voice competition was rather disappointing. Two local males only entered the list, and one of them, a young man named John Jones, who was a member of the choir of the St. David's church, was the only one who was successful.

In the action song competition, there were some very good songs, representing Welsh women in national dress, and the song of the "Wales of the Future" was very popular.

The instrumental competition was very high, and the piano was the most popular instrument. The best piano was played by a young man named John Jones, who was a member of the choir of the St. David's church.
